Excluded are sales based on letters of credit (other than standby letters of credit), or cash against documents or any kind of sales for cash.

The language for communication between Import Factor and Export Factor is English. When information in another language is provided an English translation must be attached.

Article 5 Time limits

Except as otherwise specified the time limits set forth in these Rules shall be understood as calendar days. Where a time limit expires on a non-working day or any declared public holiday of the Export Factor or the Import Factor, the period of time in question is extended until the first following working day of the factor concerned.

Article 6 Writing

“Writing” means any method by which a communication may be recorded in a permanent form so that it may be re-produced and used at any time after its creation. Where a writing is to be signed, that requirement is met if, by agreement between the parties to the writing, the writing identifies the originator of the writing and indicates his approval of the communication contained in the writing.

(N.B.: Article 6 amended June 2006)

Article 7 Deviating agreements

An agreement in writing made between an Export Factor and an Import Factor (and signed by both of them), which conflicts with, differs from or extends beyond the terms of these Rules, shall take precedence over and supersede any other or contrary condition, stipulation or provision in these Rules relating to the subject matter of that agreement but in all other respects shall be subject to and dealt with as part of these Rules.

(N.B.: Article 7 amended June 2004.)

Article 8 Numbering system

In order to identify exactly all suppliers, debtors, Import Factors and Export Factors, an appropriate numbering system must be agreed upon between Export Factor and Import Factor.

Article 9 Commission / Remuneration

- (iii) The award shall be final and binding.

Article 11 Good faith and mutual assistance

Under these Rules all duties shall be performed and all rights exercised in good faith. Each of the Export Factor and Import Factor shall act in every way to help the other's interest and each of them undertakes to the best of his ability to assist the other at all times in obtaining any document that may assist the other to carry out his duties and/or to protect his interests. Each of the Import Factor and the Export Factor undertakes that each will inform the other immediately of any fact or matter which comes to his attention and which may adversely affect the collection of any receivable or the creditworthiness of any debtor.

SECTION II Assignment of receivables

Article 12 Assignment

- (i) The assignment of a receivable implies and constitutes the transfer of all rights and interest in and title to such receivable by any means. For the purpose of this definition the granting of a security right over a receivable is deemed to be its transfer
- (ii) By reason of the assignment to the Import Factor of full ownership of each receivable, the Import Factor shall have the right of bringing suit and otherwise enforcing collection either in his own name or jointly with that of the Export Factor and/or that of the supplier and the right to endorse debtor's remittances for the collection in the Export Factor's name or in the name of such supplier and the Import Factor shall have the benefit of all rights of lien, stoppage in transit and all other rights of the unpaid supplier to goods which may be rejected or returned by debtors.
- (iii) All assignments of receivables must be in writing.

(N.B.: New Paragraph (ii) added, previous (ii) becomes (iii) June 2009.)

Article 13 Validity of assignment

- (i) The Import Factor is obliged, as regards the law of the debtor's country, to inform the Export Factor of:
 - (a) the wording and formalities of the notice of assignment; and
 - (b) any elements in an assignment that are necessary to safeguard the Export Factor against claims of third parties.

The Import Factor warrants the effectiveness of his advice.

- (ii) The Export Factor, whilst relying on the Import Factor's advice under paragraph (i) of this Article as regards the law of the debtor's country, shall be responsible for the effectiveness of the assignment to him by the supplier and of his assignment to the Import Factor including their effectiveness against the claims of third parties and in the insolvency of the supplier.

- (iii) If the Export Factor requests a particular assignment, enforceable against third parties, the Import Factor is obliged to act accordingly as far as he is able to do so in accordance with the applicable law, at the expense of the Export Factor.

(iv) Whenever the assignment of a receivable needs special documentation or a confirmation in writing in order to be valid and enforceable, at the request of the Import Factor the Export Factor must provide such documentation and/or confirmation in the prescribed way.

(v) If the Export Factor shall fail to provide such documentation or confirmation in relation to that receivable within 30 days of the receipt of the Import Factor's request, then the Import Factor may reassign such receivable.

(N.B.: Paragraphs (i) and (ii) amended June 2004.)

Article 14 Documentation relating to receivables

(i) The Import Factor must receive details of invoices and credit notes relating to any receivable assigned to him without undue delay and in the case of invoices in any event before the due date of the receivable. For the purpose of the GRIF, the "due date" of any receivable shall mean the date specified for payment of the receivable as stated in the contract of sale, provided, however, that if such contract specifies payments in instalments then, unless otherwise dictated by the contract, each instalment shall be treated as having a separate due date.

(ii) The Import Factor may require that the original documents evidencing title, including the negotiable shipping documents and/or insurance certificate, are forwarded through him.

(iii) At the request of the Import Factor and if then needed for the collection of a receivable the Export Factor must promptly provide any or all of the following as proof and in any event within the following time periods:

(a) 10 days from the receipt of the request, an exact copy of the invoice issued to the debtor;

(b) 30 days from the receipt of that request:

(1) evidence of shipment;

(2) evidence of fulfilment of the contract of sale and/or services where applicable;

(3) any other documents which have been requested before shipment.

(iv) If the Export Factor:

(a) does not provide the documents referred to in Article 14 (iii); or

(b) fails to provide a reason for that delay and a request for further time, both acceptable to the Import Factor;

within the prescribed time limits, then the Import Factor shall be entitled to reassign the relevant receivable.

(v) The time limit for the Import Factor to be entitled to request these documents from the Export Factor shall be 270 days after due date of the receivable.

(N.B.: Paragraph (iv) added June 2004 - previous (iv) moved to Paragraph (v); Paragraph (i) amended June 2005, June 2006 and June 2010.)

Article 15 Reassignment of receivables

(i) Any reassignment of a receivable under Article 13 (v) or Article 14 (iv) must be made by the Import Factor no later than the 60th day after his first request for the relevant documents, or, if later, the 30th day after the end of any extended time granted by the Import Factor under Article 14 (iv).

(ii) In the event of any reassignment of a receivable permitted to the Import Factor under this article or under paragraph (vii) of Article 27, except as provided in paragraph (iv) of this Article, the Import Factor shall be relieved of all obligations in respect of the reassigned receivable and may recover from the Export Factor any amount paid by the Import Factor in respect of it.

(iii) Every such reassignment must be in writing.

(iv) If any payment shall be received by the Import Factor from the debtor in respect of any receivable so reassigned before notice of that reassignment shall have been received by the debtor then the Import Factor shall hold that payment for the benefit of, and remit it to, the Export Factor promptly.

(N.B.: Paragraph (i) amended June 2004 and again September 2008. In June 2010 Paragraph (ii) amended and Paragraph (iv) added)

SECTION III Credit Risk

Article 16 Definition of credit risk

- (i) The credit risk is the risk that the debtor will fail to pay a receivable in full within 90 days of its due date otherwise than by reason of a dispute.
- (ii) The assumption by the Import Factor of the credit risk on receivables assigned to him is conditional upon his written approval covering such receivables.

Article 17 Approvals and requests for approvals

- (i) Requests of the Export Factor to the Import Factor for the assumption of the credit risk, which may be for the approval of individual orders or of credit lines, must be in writing and must contain all the necessary information to enable the Import Factor to appraise the credit risk and the normal payments terms.
- (ii) If the Import Factor cannot confirm the exact identification of the debtor as submitted to him he may amend these details in his reply. Any approval shall apply only to the exact identity of the debtor given by the Import Factor in that approval
- (iii) The Import Factor must, without delay and, in any event, not later than 10 days from receipt of the request, advise the Export Factor of his decision in writing. If, within the said period, the Import Factor cannot make a decision he must, at the earliest, and before the expiry of the period so advise the Export Factor.
- (iv) The approval shall apply up to the amount approved to the following receivables owed by the debtor:
 - (a) those on the Import Factor's records on the date of approval;
 - (b) those arising from shipments made up to 30 days before the date of request for approval; and shall be conditional in each case, upon the receipt by the Import Factor of the invoice details and the documents as stipulated in Article 14.
- (v)
 - (a) Approval in full or in part of an individual order binds the Import Factor to assume the approved credit risk provided that the shipment of the goods is made not later than the date of shipment, if any, stated in the request for the assumption of credit risk or any earlier expiry date indicated by the Import Factor in the approval.
 - (b) The approval of a credit line binds the Import Factor to assume credit risk on those receivables up to the approved amount for shipments made before cancellation or expiry date of the line.
 - (c) The word "goods" includes "services" and the expression "shipments made" includes "services performed".
 - (d) Shipment in relation to goods occurs when they are placed in transit to the debtor or his designee, whether by common carrier or the debtor's or supplier's own transport and in relation to services when they are completed.
- (vi) A credit line is a revolving approval of receivables on a debtor's account with one supplier up to the amount of the credit line. Revolving means that, while the credit line remains in force, receivables in excess of the line will succeed amounts within the line which are paid by the debtor or the Import Factor or credited to the debtor. The succession of such receivables shall take place in the order in which they are due for payment and shall be limited at any time to the amount then so paid or credited. Where 2 or more receivables are due for payment on the same date then their succession shall take place in accordance with the order of their respective invoice numbers.
- (vii) All approvals are given on the basis that each account receivable is in conformity with the terms of payment (with a permissible occasional variation of 100% or 45 days whichever period is shorter) contained in the pertinent information upon which such approval was granted. However, no such variation, which extends the credit beyond any credit period specified as a maximum by the Import Factor in the approval, shall be permitted.
- (viii) The approval shall be given in the same currency as the request. However, the credit line covers receivables represented by invoices expressed not only in that currency, but also in other currencies; but in all cases the risk to the Import Factor shall not at any time exceed the amount of the original approval.
- (ix) There shall be only one credit line for each supplier on each debtor and any new credit line shall cancel and replace all previous credit lines for the same supplier on the same debtor in whatever currency denominated.
- (x) If it is known to the Import Factor that it is the practice of the debtor to prohibit assignments of receivables

owing by him then the Import Factor shall so inform the Export Factor in giving his approval or as soon as it is known to the Import Factor if later.

(N.B. Paragraphs (iv) (v) and (vi) amended October 2007. Paragraphs (i) (v) and (vii) amended September 2008. Paragraph (v) amended June 2009, June 2010, and again June 2012.)

Article 18 Reduction or cancellation

(i) For good reason the Import Factor shall have the right to reduce or cancel the individual order approval or the credit line. Such cancellation or reduction must take place in writing or by telephone (to be confirmed in writing). Upon receipt of such notice of cancellation or reduction the Export Factor shall immediately notify the supplier and such cancellation or reduction shall be effective as to shipments made and/or services performed after the supplier's receipt of such notice. On or after the sending of any such notice of cancellation or reduction to the Export Factor, the Import Factor shall have the right to send such notice also direct to the supplier, but he shall inform the Export Factor of such an action. The Export Factor shall cooperate, and shall ensure that the supplier shall cooperate, with the Import Factor to stop any goods in transit and thus minimise the Import Factor's loss. The Export Factor undertakes to give the Import Factor all assistance possible in such circumstances.

(ii) On the effective date of the termination of the contract between supplier and Export Factor all order approvals and credit lines are immediately cancelled without notice, but shall remain valid for any receivable relating to a shipment made and services performed before the date of termination provided that the receivable is assigned to the Import Factor within 30 days of that date.

(iii) When the cancellation of the credit line is effective or the credit line has expired then:

(a) the right of succession ceases and thereafter, except as provided in sub-paragraphs (b) and (c) of this paragraph, any payment or credit (other than a payment or credit in connection with a transaction excluded in Article 3 or transactions otherwise excluded before the first assignment of a receivable in respect to that debtor) may be applied by the Import Factor in satisfaction of approved receivables in priority to unapproved receivables;

(b) if any such credit relates to an unapproved receivable and the Export Factor establishes to the satisfaction of the Import Factor that the credit arose solely from the failure to ship or a stoppage in transit, the credit shall be applied to such unapproved receivable; and

(c) any monies subsequently received by the Import Factor resulting from a general distribution from the estate of the debtor in respect of receivables assigned by the Export Factor shall be shared between the Import Factor and the Export Factor in proportion to their respective interests in the amount owing by the debtor as at the date of the distribution.

(N.B. Paragraph (iii) (b) and (c) amended June 2003. Paragraph (ii) amended June 2006. Paragraphs (i) and (ii) amended October 2007 and again September 2008 and again June 2009.) Paragraph (iii) (a) and (c) amended June 2012.

Article 19 Obligation of Export Factor to assign

(i) Subject to the provisions of paragraph (ii) and (iii) of this Article the Export Factor may, but is not obliged to, offer to the Import Factor all receivables, owing by debtors in any one country and relating to one supplier, which have been assigned to the Export Factor.

(ii) The Export Factor shall inform the Import Factor whether or not the Export Factor's agreement is to include the whole turnover on credit terms to the debtor's country.

(iii) When the Import Factor has approved a credit line on a debtor and a receivable owing by that debtor has been assigned to the Import Factor, then all subsequent receivables of that supplier in respect of that debtor must be assigned to the Import Factor, even when the receivables are only partly approved or not approved at all.

(iv) When the Import Factor decides to cancel a credit line, the obligation for the Export Factor continues to exist until all approved receivables have been paid or otherwise provided for; in other words, until the Import Factor is "out of risk". However, after cancellation of the contract between the Export Factor and the supplier, further assignments of receivables cannot be expected.

(N.B. Paragraph (i) amended, old Paragraph (iii) deleted, Paragraphs (iv) & (v) become (iii) & (iv) June 2006. Paragraph (ii) amended October 2007.)

SECTION IV Collection of receivables

Article 20 Rights of the Import Factor

(i) If any cash, cheque, draft, note or other instrument in payment of any receivables assigned to the Import Factor is received by the Export Factor or any of his suppliers, the Export Factor must immediately inform the Import Factor of such receipt. It shall be held in trust by the Export Factor or such supplier on behalf of the Import Factor and shall, if so requested by the Import Factor, be duly endorsed and delivered promptly to him.

(ii) If the sales contract contains a prohibition of assignment the Import Factor shall have the same rights as set forth in paragraph (ii) of Article 12 as agent for the Export Factor and/or the supplier.

(iii) If the Import Factor:

(a) is unable to obtain judgement in respect of any receivable assigned to him in the courts, any arbitration panel or other tribunal of competent jurisdiction of the debtor's country (collectively, a "Tribunal") by reason only of:

(1) clear and convincing language relating to jurisdiction or alternate dispute resolution in the contract of sale between the supplier and the debtor which gave rise to that receivable; or

(2) denial of jurisdiction to proceed in the debtor's country by any such Tribunal; and

(b) informs the Export Factor of that inability within 365 days of the due date of the invoice representing that receivable;

then the Import Factor may immediately reassign that receivable and recover from the Export Factor any amount paid in respect of it under paragraph (ii) of Article 24.

(iv) If, within 3 years from the date of any reassignment referred to in paragraph (iii) of this article, the Export Factor or the supplier shall have obtained a judgement or award by any Tribunal in relation to the reassigned receivable against the debtor enforceable in the debtor's country, then, to the extent that the receivable had been approved, the Import Factor shall:

(a) accept an assignment of all the rights against the debtor under that judgement and again accept the receivable as approved; and

(b) make a Payment under Approval, as defined in Article 24 and hereinafter referred to as a PUA within 14 days of the date on which payment is to be made by the debtor according to the judgement provided that the assignment required under paragraph (iv) (a) of this Article has been made effectively by the Export Factor within that period.

All costs in relation to the obtaining of judgement under this Article shall be the responsibility of the Export Factor.

(N.B.: Old Paragraph (i) deleted June 2009. Paragraph (ii) became (iii) and amended June 2004 and June 2009. Paragraph (iv) added June 2009. Paragraph

(iv) (b) amended June 2013.)

Article 21 Collection

(i) The responsibility for collection of all receivables assigned to the Import Factor rests with him and he shall use his best endeavours promptly to collect all such receivables whether approved or unapproved.

(ii) Except as provided in Article 27 when the total amount of receivables owing by a debtor at any one time is approved in part:

(a) the Import Factor shall be entitled to take legal proceedings for the recovery of all such receivables without obtaining the prior consent of the Export Factor but the Import Factor shall inform the Export Factor of such action;

(b) if the Export Factor notifies the Import Factor of his disagreement with such legal proceedings, which are then accordingly terminated, the Import Factor shall be entitled to reassign all receivables then owing by the debtor and to be reimbursed by the Export Factor with the amount of all costs and expenses incurred by the Import Factor in such proceedings and the provisions of paragraphs (ii) and (iii) of Article 15 will apply to that reassignment; and

(c) except as provided in paragraph (ii) b) of this Article the costs and expenses of such legal proceedings shall be borne by the Import Factor and the Export Factor in proportion to the respective amounts of the approved and unapproved parts of the outstanding receivables.

Article 22 Unapproved receivables

- (i) When all receivables owing by a debtor at any one time are wholly unapproved:
- (a) the Import Factor shall obtain the consent of the Export Factor before incurring legal and other costs and expenses (other than the Import Factor's own and administrative costs and expenses) relating to their collection;
 - (b) such legal and other costs and expenses shall be the responsibility of the Export Factor and the Import Factor shall not be responsible for any loss and/or costs which are attributable to any delay in the giving of such consent by the Export Factor;
 - (c) If the Export Factor does not answer the Import Factor's request for consent within 30 days, the Import Factor is entitled to reassign the receivables then or any time thereafter;
 - (d) The Import Factor shall be entitled on demand to a deposit from the Export Factor to cover fully or partly the amount of the estimated costs to be incurred in the collection of such receivables.

SECTION V Transfer of funds

Article 23 Transfer of payments

- (i) When any payment is made by the debtor to the Import Factor in respect of any receivable assigned to him he shall pay in the currency of the invoice the equivalent of the net amount received in his bank to the Export Factor immediately after the value date or the date of the Import Factor's receipt of the bank's notification of the amount received whichever is later except to the extent of any previous PUA.
- (ii) All payments, irrespective of the amount, shall be transferred daily via SWIFT or a similar system.
- (iii) Not later than the day of the transfer the Import Factor shall provide a report showing the allocation of the amount transferred.
- (iv) The Export Factor shall repay to the Import Factor on his demand:
- (a) any payment made by him to the Export Factor if the debtor's payment to the Import Factor was made by a payment instrument subsequently dishonoured (cheque or equivalent) provided that:
 - (1) the Import Factor notified the Export Factor of this possibility with the payment advice (payment under reserve); and
 - (2) the Import Factor's demand has been made within 10 banking days in the Import Factor's country from the date of his transfer of the funds to the Export Factor; or
 - (3) such dishonour was the result of a stopped payment order issued by the debtor owing to a dispute raised later than the issuance of the payment instrument, in which case the procedures and time limits are as provided in Article 27 and for that purpose the payment by the Import Factor to the Export Factor shall be treated as if it were a PUA (as defined in Article 24 (ii) hereof).
 - (4) repayments demanded by the Import Factor will not affect his other obligations;
 - (b) without any time limit, any payment made by the Import Factor to the Export Factor in respect of any unapproved receivable or unapproved part of a receivable to the extent that payment by the debtor or any guarantor of the receivable is subsequently recalled under the law of the country of the payer and such recall is either paid or settled by the Import Factor provided that any such settlement is effected in good faith.

(N.B.: Paragraph (iv) (a) adjusted and Paragraph (iv) (b) added October 2002. Paragraph (iv) (a) adjusted again October 2007. Paragraphs (i) and (iv) (a) (3) adjusted again June 2013.)

- (ii) to the extent that any such receivable shall not be paid by or on behalf of the debtor by the 90th day after the due date as described above, the Import Factor shall on such 90th day make a Payment under Approval

to the Export Factor; described herein as PUA.

(iii) For the purpose of paragraphs (i) and (ii) of this Article, payment by the debtor shall mean payment to any one of the Import Factor, the Export Factor, the supplier or the supplier's insolvent estate.

(v) If an approved receivable is expressed in a currency other than that of the corresponding credit line, in order to determine the approved amount that receivable shall be converted to the currency of the credit line at the rate of exchange (mid rate) quoted by XE.com (and used in edifactoring.com) at the date on which the PUA is due. In all cases the risk of the Import Factor shall not exceed at any time the amount of the original approval.

(N.B.: Heading and Paragraph (v) adjusted September 2008. Heading and paragraphs (ii) and (v) adjusted June 2013.)

Article 25 Prohibitions against assignments

(i) In respect of any approved receivable arising from a contract of sale or for services which includes a prohibition of its assignment the Import Factor's obligation for a PUA shall arise on the official insolvency of the debtor or when the debtor makes a general declaration or admission of his insolvency, but, in any event, not earlier than the 90th day after the due date as described in paragraph (i) of Article 24.

(ii) After any PUA in respect of any receivable referred to in paragraph (i) of this article the Import Factor shall have the sole right to claim in the insolvent estate of the debtor in the name of the supplier.

(iii) The Export Factor shall obtain from the supplier and deliver to the Import Factor any document that may be required by him for the purpose of making any claim as described in paragraph (ii) of this Article.

(iv) The provisions of this article shall apply, in spite of anything to the contrary elsewhere in these rules.

(N.B.: Paragraph (iv) added June 2003. Paragraph (i) amended June 2004. Paragraphs (i) and (ii) amended June 2013.)

Article 26 Late payments

(i) If the Import Factor or the Export Factor fails to make payment of any amount when it is due to be paid to the other he shall pay interest to that other.

(ii) Except as provided in paragraph (iii) of this Article, if the Import Factor does not initiate a payment to the Export Factor according to the requirements of Article 23 or Article 24, the Import Factor shall:

(a) be liable to pay to the Export Factor interest calculated for each day from the date on which such payment shall be due until actual payment at twice the 3-months-LIBOR or 3-months- LIBOR plus five percent, whichever is greater as quoted on such due date in the relevant currency, provided that the aggregated accrued amount of interest exceeds EUR 50; and

(iv) Any late payment by the Export Factor to the Import Factor will be subject to the provisions of paragraph (ii) and (iii) of this article.

(N.B.: Paragraph (iv) added October 2007.) Paragraph (ii) (a) amended June 2017.

SECTION VI Disputes

Article 27 Disputes

- (i) A dispute occurs whenever a debtor fails to accept the goods or the invoice or raises a defence, counterclaim or set-off including (but not limited to) any defence arising from a claim to the proceeds of the receivable by any third party. However, where there is a conflict between the provisions of this Article and those of Article 25 the latter shall prevail.
- (ii) Upon being notified of a dispute the Import Factor or the Export Factor shall immediately send to the other a dispute notice containing all details and information known to him regarding the receivable and the nature of such dispute. In either case the Export Factor shall provide the Import Factor with further information regarding the dispute within 60 days of the receipt by the Export Factor or his sending it as the case may be.
- (iii) Upon receipt of such dispute notice the approval of that receivable shall be deemed to be suspended. If a dispute is raised by the debtor and the dispute notice is received within 90 days after the due date of the receivable to which the dispute relates, the Import Factor shall not be required to make PUA of the amount withheld by the debtor by reason of such dispute.
- If a dispute is raised by the debtor and the dispute notice is received after PUA, but within 180 days of the due date of the receivable, the Import Factor shall be entitled to reimbursement of the amount withheld by the debtor by reason of such dispute.
- (iv) (a) The Export Factor shall be responsible for the settlement of the dispute and shall act continuously to ensure that it is settled as quickly as possible. The Import Factor shall co-operate with and assist the Export Factor, if so required, in the settlement of the dispute including the taking of legal proceedings.
- (b) If the Import Factor declines to take such proceedings or if the Export Factor requires a reassignment of the disputed receivables so that proceedings may be taken in his or the supplier's name, then, in either case, the Export Factor is entitled to such reassignment.
- (c) Whether or not any such reassignment has been made the Import Factor shall again accept as approved, within the time limits specified in paragraph (v) of this Article, such disputed receivable to the extent that the dispute is settled in favour of the supplier (including an admission by the person responsible for the administration of the debtor's insolvent estate) provided that:
- (1) the Export Factor has complied with his obligations under paragraph (iv) a) of this Article;

- (vi) In the case of a disputed receivable which the Import Factor has accepted again as approved in accordance with paragraph (iv) of this Article:

(a) if the receivable has been reassigned to the Export Factor the Import Factor shall have the right to an immediate assignment to him of all the Export Factor's or (as the case may be) the supplier's rights under the settlement;

(b) in every such case any PUA, which is to be made in accordance with Article 24, shall be made within 14 days of the date on which payment is to be made by the debtor according to the settlement provided that:

(1) any assignment required by the Import Factor under paragraph (vi) a) of this Article has been made effectively by the Export Factor within that period; and

(2) the end of that period of 14 days is later than the original due date for the PUA.

(vii) If the Export Factor does not comply with all his obligations under this Article and such non-compliance substantially affects the risk position of the Import Factor, then the Import Factor shall have the right to reassign to the Export Factor the disputed receivable and the Export Factor shall promptly reimburse the Import Factor with the amount of the PUA; such payment shall include interest from date of PUA to date of reimbursement as calculated in accordance with paragraph (iii) (b) of Article 26.

(viii) If the dispute is resolved in full in favour of the supplier, all related costs shall be the responsibility of the Import Factor. In all other cases the costs will be the responsibility of the Export Factor.

LEGAL CIRCULAR 27:4

Date of Issue: December 2005

Legal settlement in case of a dispute

Issue

According to Article 27 (iv)(c) of the GRIF, an Import Factor is required to go back on the risk and to make a payment under guaranty if a legal settlement with respect to a disputed receivable is resolved in favour of the supplier within three years. The Legal Committee was presented with the question of whether that three-year period is to include the time necessary to take an appeal from the lower court decision or an arbitration award.

coMMenT

Article 27(iv)(c)(3) provides that the Import Factor shall again accept as approved a disputed receivable 30 days after “. . . the date of the coming into effect of the judgment in the case of a legal settlement.” In view of that language, it is the opinion of the Legal Committee that the word “judgment” means a “final judgment” since, in most of the jurisdictions served by FCI, a judgment which is appealed is not enforceable and does not “come into effect”.

The Legal Committee recognizes the argument that such a rule may be unfair in certain cases since the mere filing of an appeal can delay the enforcement of the judgment for years and thus the Import Factor may avoid reassuming the risk after the passage of three years. Any change, however, in the rule announced above must come in the form of a formal amendment to the GRIF.
